- Over the years, thousands of Alateens have attended E,.A.R. the Eastern Alateen Roundup, a three-day recovery camp.
- The conference includes closed Alateen meetings, workshops, a talent show and dance, speakers, and general fellowship.
- E.A.R. is a safe, monitored environment with at least 1 Area-approved sponsor for every 5 Alateens.
- The cost this year is \$50 for regular registration which includes room, conference activities, and meals from Friday afternoon till Sunday.
- Unfortunately, not all who want to can go due to financial constraints.
- Here's where you can come in: If you or your group desires, you can help support the E.A.R. LOVE Scholarship Fund. Your funding could help provide an unforgettable and life-altering experience.
- If you know of someone who may want to apply for a scholarship, please see the attached Love Scholarship application.
